2026

4 events in 4 countries

2026 June 24th to 26th	Event: Bouw met Aarde – Symposium, workshops, and exhibition on earth-based materials in architecture and construction
	Title of presentation: The Free Spanning Technique
	Speaker and Capacity: Radhika Soni, Invited speaker
Rotterdam, Netherland	Attendance: ~200 professionals from 10 countries

2026 June 5th	Event: Turâb 26, Experiences of earthen construction' de-materiality International colloquium on earthen architecture
	Title of presentation: Pushing the limits of earthen building with stabilised earth
	Speaker and Capacity: Satprem Maïni, Invited keynote speaker
Tunis, Tunisia	Attendance: ~90 professionals and students from 14 countries

2026 January 15th	Event: Series of event on sustainable development organised by "Maison d'Architecture d'Auvergne.
	Title of presentation: Works of the Auroville Earth Institute
	Speaker and Capacity: Satprem Maïni, Invited lecturer
Clermont-Ferrand, France	Attendance: ~40 professionals

2026 January 8th -11th	Event: Annual Symposium of the Architecture, Culture, and Spirituality Forum ACSF 15: Myths and Placemaking
	Title of presentation: Vāstu Śāstra: Ritual, Cosmic Ecology, and the Myth of Resilient Placemaking
	Speaker and Capacity: Radhika Soni, Selected speaker
Varanasi, India	Attendance: ~50 professionals and students

2025
5 events in 3 countries

2025 November 15th and 16th	Event: 3 rd International Forum on Earthen Architecture Teaching, Research, and Sustainable Construction at the School of Architecture of Hangzhou, China Academy of Art.
	Title of presentation: 36 years of training, R&D and realizations of AVEI.
	Speaker and Capacity: Satprem Maïni, Invited keynote speaker
Hangzhou, China	Attendance: ~50 students and professors from 10 countries
2025 September 17th	Event: Conference at the "École National d'Ingénieur de Tunis" (ENIT)
	Title of presentation: Construction of the 33 m diameter dome, the largest dome of the world with CSEB
	Speaker and Capacity: Satprem Maïni, Invited lecturer
Tunis, Tunisia	Attendance: ~40 students and professors
2025 September 16th	Event: Conference at the "École National d'Architecture et d'Urbanisme de Tunis" (ENAU)
	Title of presentation: Construction of the 33 m diameter dome, the largest dome of the world with CSEB
	Speaker and Capacity: Satprem Maïni, Invited lecturer
Tunis, Tunisia	Attendance: ~120 students and professors
2025 July 5th	Event: Presentation at LSET Bangalore
	Title of presentation: Works of the Auroville Earth Institute
	Speaker and Capacity: Satprem Maïni, Invited lecturer
Bangalore, India	Attendance: ~30 professional and students
2025 June 29th	Event: Conference at the Paradiso
	Title of presentation: Construction of the 33 m diameter dome, the largest dome of the world with CSEB
	Speaker and Capacity: Satprem Maïni, Invited lecturer
Auroville, India	Attendance: ~70 lay persons

2024
12 events in 2 countries

2024 December 2nd	Event: DSA Terre at Grenoble
	Title of presentation: 35 Ans de travaux de l'Auroville Earth Institute
	Speaker and Capacity: Satprem Maïni, Invited lecturer
Grenoble, France	Attendance: ~20 architects and engineers
2024 September 19th	Event: Conference for CAUE Mayotte
	Title of presentation: Réapprendre à construire en terre avec l'Auroville Earth Institute
	Speaker and Capacity: Satprem Maïni, Invited lecturer
Mayotte, France	Attendance: ~50 architects, engineers and student engineers
2024 August 10th	Event: Festizome
	Title of presentation: Auroville, la ville de l'Aurore
	Speaker and Capacity: Satprem Maïni, Invited lecturer
Lugaran, France	Attendance: ~50 lay people
2024 May 23rd	Event: Conference at the "École de Jardinage" of Rabat
	Title of presentation: Terre stabilisée pour un développement durable
	Speaker and Capacity: Satprem Maïni, Invited lecturer
Rabat, Morocco	Attendance: ~30 professionals and lay people

2024 May 22nd	Event: Conference at the “École National d’Architecture” of Rabat
	Title of presentation: Terre stabilisée pour un développement durable
	Speaker and Capacity: Satprem Maini, Invited lecturer
Rabat, Morocco	Attendance: ~50 students, faculties and professionals

2024 May 21st	Event: Conference at the “Conseil des architectes de Marrakech
	Title of presentation: Terre stabilisée pour un développement durable
	Speaker and Capacity: Satprem Maini, Invited lecturer
Marrakech, Morocco	Attendance: ~40 architects and professionals

2024 May 16th	Event: Conference at the “Café Pietri” at Rabat
	Title of presentation: Terre stabilisée pour un développement durable
	Speaker and Capacity: Satprem Maini, Invited lecturer
Rabat, Morocco	Attendance: ~30 Intellectual people, professionals, artists and students

2024 May 16th	Event: Conference at the “École d’Architecture” of the “Université Internationale de Rabat” (UIR)
	Title of presentation: Terre stabilisée pour un développement durable
	Speaker and Capacity: Satprem Maini, Invited lecturer
Rabat, Morocco	Attendance: ~40 professionals and students

2024 May 14th	Event: Conference organised by UNESCO at the “SIEL” at Rabat
	Title of presentation: Terre stabilisée pour un développement durable
	Speaker and Capacity: Satprem Maini, Invited lecturer
Rabat, Morocco	Attendance: ~30 laypeople, professionals and students

2024 May 13th	Event: Presentation at UNESCO Office, representation in Morocco
	Title of presentation: Auroville, the city of Dawn
	Speaker and Capacity: Satprem Maini, Invited lecturer
Rabat, Morocco	Attendance: ~12 officers of UNESCO

2024 February 20th	Event: Conference at the “École National d’Architecture et d’Urbanisme de Tunis” (ENAU)
	Title of presentation: Bloc de terre comprimée stabilisée – Durabilité stabilité, AVD, etc.
	Speaker and Capacity: Satprem Maini, Invited lecturer
Tunis, Tunisia	Attendance: ~50 professionals and students

2024 February 14th	Event: Conference at the “École National d’Ingénieur de Tunis” (ENIT)
	Title of presentation: Bloc de terre comprimée stabilisée – Durabilité stabilité, AVD, etc.
	Speaker and Capacity: Satprem Maini, Invited lecturer
Tunis, Tunisia	Attendance: ~50 professionals and students

2023
2 events in 1 country

2023 November 25th	Event: Green Building Congress Organised by IGBC, CII
	Title of presentation: Embodied energy and Earthen Architecture
	Speaker and Capacity: Radhika Soni, Invited Speaker
Chennai, TN, India	Attendance: ~50 professionals and students

2023 May 13th	Event: Feminarch’23 Organised by Gender Cell of IIA Kerala Chapter
	Title of presentation: Navigating the challenges towards a gender-inclusive community
	Speaker and Capacity: Malavika S Nair, Selected Speaker
Kerala, India	Attendance: ~50 professionals and students

2022
2 events in 2 countries

2022 December 14th	Event: Lecture at the Czech Technical University
	Title of presentation: Works of the Auroville Earth Institute and case study on Kaza CC in Spiti
	Speaker and Capacity: Satprem Maini, Invited lecturer
Prague, Czechia	Attendance: ~15 students and faculties

2022 December 6th	Event: Lecture at the National High School of Architecture of Grenoble
	Title of presentation: 38 years of works of Satprem in the field of earthen architecture
	Speaker and Capacity: Satprem Maini, Invited lecturer
Grenoble, France	Attendance: ~25 students and faculties

2021
3 events in 1 country

2021 February 27th	Event: Conference at the Faculty of Architecture/ Al Baroudi Centre for Rehabilitation
	Title of presentation: Works of the Auroville Earth Institute
	Speaker and Capacity: Satprem Maini, Invited speaker
Damascus, Syria	Attendance: ~40 students and faculties

2021 February 22nd	Event: Conference at the Syndicate of Engineering of Homs
	Title of presentation: CSEB for a sustainable future
	Speaker and Capacity: Satprem Maini, Invited speaker
Homs, Syria	Attendance: ~50 professionals

2021 February 21st	Event: Conference at the Syndicate of Engineering of Hama
	Title of presentation: CSEB for a sustainable future
	Speaker and Capacity: Satprem Maini, Invited speaker
Hama, Syria	Attendance: ~60 professionals

2020
3 events in 1 country

2020 February 27th	Event: International Conference on Architecture, Planning & Sustainable Engineering (ICAPSE 2020), Organised by Sigma College of Architecture
	Title of presentation: 30 years of research, development, promotion and education in earthen architecture
	Speaker and Capacity: Satprem Maini, Invited keynote speaker
Moododu, TN, India	Attendance: ~100 students & professionals

2020 February 3rd	Event: National Seminar "Earth Materials and Design Built Procedures" Organised by IIT Roorkee
	Title of presentation: Works of the Auroville Earth Institute
	Speaker and Capacity: Satprem Maini, Invited speaker
Roorkee, UT, India	Attendance: ~50 students & professionals

2020 January 3rd	Event: Dialogues: A series of information conversations with young professionals
	Title of presentation: Journey - Earthen architecture
	Speaker and Capacity: Radhika Soni, Invited speaker
Aayojan, MH, India	Attendance: ~100 students & 6 professionals

2019
2 events in 1 country

2019 April 13th	Event: Sustainability Conference Organised by Dhamma Arunachala
	Title of presentation: Works of the Auroville Earth Institute
	Speaker and Capacity: Satprem Maini, Invited speaker
Tiruvannamalai, TN, India	Attendance: ~40 professionals

2019 February 9th	Event: Introduction to earth architecture Organised by Earth Block Goa and the Indian Institute of architects, Goa Chapter
	Title of presentation: Tradition and modernity of earthen architecture
	Speaker and Capacity: Satprem Maini, Invited speaker
Goa, India	Attendance: ~30 architects and students

2018
3 events in 2 countries

2018 August 22nd to 24th	Event: International Symposium on Earth Structures (ISES) Organised by the Indian Institute of Science, Bangalore
	Title of presentation: Case Studies Pushing the Mechanical Properties of Poured Earth Concrete
	Speaker and Capacity: Lara Davis, Speaker
Bangalore, KA, India	Attendance: ~150 academicians, professionals and students

2018 July 16th to 20th	Event: Annual Symposium of the International Association for Shell and Spatial Structures (IASS) Organised by the Massachusetts Institute of Technology (MIT), Cambridge, USA
	Title of presentation: Sharanam: Case study of a 15-meter span earthen conical vault
	Speaker and Capacity: Lara Davis, Speaker
Boston, USA	Attendance: ~65 academicians, professionals and students

2018 February 25th	Event: "The Bridge" Organised by "The Bridge" Auroville
	Title of presentation: Mission, activities, research & education of the Auroville Earth Institute
	Speaker and Capacity: Satprem, Invited speaker
Auroville, India	Attendance: ~60 people

2017
6 events in 3 countries

2017 November 1st	Event: Technical session on water foot printing Organised by Auroville Water Board, Centre for Scientific Research
	Title of presentation: Embodied Water in Building Materials: Embodied Energy and Water Saving Potential in Construction
	Speaker and Capacity: Lara Davis, Invited speaker
Auroville, India	Attendance: ~20 local experts

2017 May 5th	Event: Homes, not Houses project, Organised by Habitat for Humanity Sri Lanka
	Title of presentation: Modernity of Earthen Architecture
	Speaker and Capacity: Satprem Maini, Invited speaker
Vilavettuwam, Sri Lanka	Attendance: ~100 beneficiaries of the programme

2017 April 26th	Event: Festival ArchiTerre at Batimatech exhibition Organised by CAPTerre and Ministry of Culture, Government of Algeria
	Title of presentation: Culturally re-embedding technologies of earthen construction
	Speaker and Capacity: Lara Davis, Invited speaker
Algiers, Algeria	Attendance: ~70 Professionals, students and laymen

2017 April 24th	Event: Homes, not Houses project, Organised by Habitat for Humanity Sri Lanka
	Title of presentation: Modernity of Earthen Architecture
	Speaker and Capacity: Satprem Maini, Invited speaker
Batticaloa, Sri Lanka	Attendance: ~30 people (NGO members, Government officials and development officers)

2017 April 20th & 21st	Event: Homes, not Houses project, Organised by Habitat for Humanity Sri Lanka
	Title of presentation: Modernity of Earthen Architecture
	Speaker and Capacity: Satprem Maini, Invited speaker
Thevipuram, Sri Lanka	Attendance: ~200 (125 + 75) beneficiaries of the programme for 2 presentations

2017 April 17th	Event: Homes, not Houses project, Organised by Habitat for Humanity Sri Lanka
	Title of presentation: Modernity of Earthen Architecture
	Speaker and Capacity: Satprem Maini, Invited speaker
Kilinochchi, Sri Lanka	Attendance: ~30 people (NGO members, Government officials and development officers)

2016
8 events in 4 countries

2016 December 17th	Event: Pavilion de France Presentations Organised by le Pavillion de France

	Speaker and Capacity: Lara Davis and Satprem Maini, Invited speakers
Auroville, India	Attendance: ~80 people (mixed audience)

2016 November 8th to 9th	Event: Colloque Écoconstruction et Développement Durable UN Climate Change Conference Labeled Event Organised by Conseil National de l'Ordre des Architectes and Association Eco Construction et Architecture Durable
	Title of presentation: "Case Study of Low Carbon Construction with Earth by AVEI"
	Speaker and Capacity: Lara Davis, Substitute for Satprem Maini, Invited speaker
Marrakech, Morocco	Attendance: ~60 professionals

2016 October 7th	Event: Architecture and the City: Conference on Architecture, Urbanism, Sustainability Organised by Indian Architect & Builder (IA&B) magazine
	Title of presentation: Earth For Future Cities? The Search for the Urban Craftsman
	Speaker and Capacity: Lara Davis, Invited speaker
Bangalore, KA, India	Attendance: ~150 professionals and students

2016 August 30th	Event: Debriefing 'Homes Not Houses' project Organised by Habitat for Humanity Sri Lanka
	Title of presentation: "Feasibility Mission: Initial Findings"
	Speaker and Capacity: Lara Davis & Satprem Maini, Invited speakers
Colombo, Sri Lanka	Attendance: ~50 professionals

2016 August 7th	Event: PIT Studio at Auroville Organised by PIT Studio 2016 & N A Q S H B A N D I, Gurgit Matharoo and Mona Doctor Pingel
	Title of presentation: "Earth: A Material or a strategy? Local Material / Vernacular Intelligence / Sustainable Practice / Cultural Value"
	Speaker and Capacity: Lara Davis, Invited speaker
Auroville, India	Attendance: ~20 students and professionals

2016 July 21st	Event: Consultation on Shallow masonry domes Organised by Hunnashala Foundation and BMTPC
	Title of presentation: Designing and building shallow cloister domes for multi-story buildings
	Speaker and Capacity: Satprem Maini, Invited speaker
New Delhi, India	Attendance: ~5 government officials and ~80 professionals and students

2016 July 11th to 14th	Event: World Congress on Earth Architecture, Terra 2016 Organised by ICOMOS & CRATerre
	Title of presentations: 1. 27 years of applied research in stabilized earth technologies at the Auroville Earth Institute 2. AVEI School of Earthen Architecture
	Speakers and Capacity: 1. Satprem Maïni, speaker, and 2. Lara Davis, speaker
Lyon, France	Attendance: ~400 professionals and students

2016 March 14th	Event: Lecture at IIT Bombay Organised by Dr. Siddhartha Ghosh
	Title of presentation: Vaulted masonry structure, from research to implementation
	Speaker and Capacity: Lara Davis, Invited speaker
Mumbai, India	Attendance: ~20 faculties and students

2015
8 events in 4 countries

2015 October 2nd to 4th	Event: Earth USA 2015 Organised by Adobe in Action
	Title of presentations: AVEI School of Earthen Architecture (by Lara Davis) 26 years of applied research at AVEI (by Satprem Maini)
	Speakers and Capacity: Lara Davis and Satprem Maini, Invited speakers
Santa Fe, USA	Attendance: ~41 presenters from 10 US states and 13 other countries, and ~120 laypeople

2015 June 19th	Event: National workshop on Priority and Affordable Rural Housing Organised by the Ministry of Rural Development
	Title of presentation: Stabilised earth technologies in Housing
	Speaker and Capacity: Satprem Maini, Invited speaker
New Delhi, India	Attendance: ~100 Officers of rural housing from each state of India, professionals and various stakeholders of rural housing

2015 May 7th	Event: DSA presentation Organised by CRATerre/ENSAG, at the High School of Architecture of Grenoble
	Title of presentation: 25 ans dédiés à la Recherche, développement et promotion des architectures de terre
	Speaker and Capacity: Satprem Maini, Only guest speaker
Grenoble, France	Attendance: ~50 French students & professors

2015 April 26th	Event: Journées d'information et de sensibilisation d'Architerre Organised by CAPTerre and Ministry of Culture, Government of Algeria
	Title of presentation: 25 ans dédiés à la Recherche, développement et promotion des architectures de terre
	Speaker and Capacity: Satprem Maini, Honorary guest speaker
Adrar, Algeria	Attendance: ~80 Algerian students & professors, and international specialists

2015 April 23rd	Event: Architerre, Organised by CAPTerre and Ministry of Culture, Government of Algeria
	Title of presentation: 25 ans dédiés à la Recherche, développement et promotion des architectures de terre
	Speaker and Capacity: Satprem Maini, Honorary guest speaker
Algiers, Algeria	Attendance: ~120 students & professors (mostly from Algeria) & international specialists

2015 February 26th	Event: Cost effective and disaster resistant techniques Organised by Bharathidasan Institute of Technology Campus / Anna University Sponsored by BMTPC
	Title of presentation: Disaster Resistance with Hollow Interlocking CSEB
	Speaker and Capacity: Satprem Maini, guest of honour and main speaker
Trichi, TN, India	Attendance: ~200 Indian students and professors

2015 February 2nd - 3rd	Event: Expert Group Meeting: Economic & Energy Efficiency Of Buildings In The Tropics Organised by Auroville Green Practices (AGP)
	Title of presentation: Embodied Energy In Building Materials And Technologies For Green Residential Buildings
	Speaker and Capacity: Lara Davis, invited speaker
Pondicherry, India	Attendance: ~30 experts from France, Reunion Island, Thailand, Sri Lanka and India

2015 January 26th	Event: 57 th Annual NASA Convention '15, Organised by Marg Institute of Design and Architecture Swarnabhoomi (MIDAS)
	Title of presentation: Building with Earth: Earthen Architecture for Sustainable Development
	Speaker and Capacity: Lara Davis, invited speaker
Swarnabhoomi, India	Attendance: ~2,000 students from India

2014
11 events in 3 countries

2014 December 2nd	Event: CEPT Winter School: "Sustainable practices in Auroville" Organised by Auroville Integral Sustainability Institute
	Title of presentation: - Earth Architecture: Tradition and Modernity
	Speaker and Capacity: Lara Davis, invited speaker
Auroville, India	Attendance: ~ 35 students from India

2014 November 14th, 15th	Event: 12 th International conference "Municipalika, Building Vibrant Cities" "Emerging Trends in Sustainable Habitat and Integrated Cities" Organised by CAPEX and sponsored by the Ministry of Urban Development and Poverty Alleviation
	Title of presentations: - CSEB to build a Sustainable Future - Earthen Architecture for Affordable Housing and People's Empowerment
	Speaker and Capacity: Satprem Maini, invited speaker
Gandhinagar, HP, India	Attendance: ~ 150 professionals, decision makers, etc. from India and 6 other countries

2014 October 17th	Event: Auroville Green Practices: "Sustainable Habitats" Organised by Auroville Consulting
	Title of presentation: Earth as a Building Material
	Speaker and Capacity: Lara Davis, invited lecturer
Auroville, India	Attendance: ~ 25 Students and faculty

2014 October 4th	Event: All India Chapter meet of EWB-India Organised by Engineers without Borders (EWB)-India
	Title of presentation: Building with Earth to Empower People
	Speaker and Capacity: Satprem Maini, invited key speaker
Chennai, TN, India	Attendance: ~ 200 Students, engineers and faculty

2014 July 31th	Event: Auroville Green Practices 3H Summer School: "From Cradle to Cradle: Building for Responsible Consumption", Organised by Auroville Consulting
	Title of presentation: Building with Earth: Closing Resource Loops in the Vernacular & Contemporary
	Speaker and Capacity: Lara Davis, invited lecturer
Auroville, India	Attendance: ~ 25 Students and faculty
2014 June 18th	Event: "Niatus-ability, Conference on Sustainable Architecture" Organised by Dr. M.G.R. Educational & Research Institute, Faculty of Architecture
	Title of presentation: Earthen Architecture for Sustainable Development
	Speaker and Capacity: Satprem Maïni, invited Guest of Honour
Chennai, TN, India	Attendance: ~ 200 Students and faculties
2014 April 23rd	Event: Architerre Organised by Ministry of Culture, Government of Algeria
	Title of presentation: Le Bloc de Terre Comprime et le Développement des Architectures de Terre
	Speaker and Capacity: Satprem Maïni, Invited speaker
Algiers, Algeria	Attendance: ~ 150 Students and professionals (mostly from Algeria) and lecturers from 5 or 6 countries
2014 March 24th, 25th	Event: International conference "Restoring Communities through Homeowner Driven Reconstruction: from Post-Emergency to Development" Organised by UNCHS Habitat and funded by EU, Australian Aid & Swiss Agency for Development
	Title of presentations: 1. Using CSEB for owner driven reconstruction 2. Building with earth: sustainable resource management with CSEB
	Speaker and Capacity: 1. Satprem Maïni, invited speaker 2. Lara Davis, invited speaker
	Attendance: ~ 50 Professionals, decision makers, officers from UN, EU, Sri Lanka & abroad
2014 March 13th	Event: "The ATTIC' 14, Built Environment" Organised by Rajalakshmi Engineering College
	Title of presentation: Building with Earth for a Sustainable Future
	Speaker and Capacity: Satprem Maïni, invited speaker
Chennai, TN, India	Attendance: ~ 200 Students and faculties
2014 February 19th	Event: "National workshop on Alternative Technologies for Making the design of Buildings under MGNREGS (Mahatma Gandhi National Rural Employment Guarantee Scheme)" Organised by HUDCO (Housing and Urban Development Corporation and the Ministry of Rural Development, GO of India
	Title of presentation: Building with earth for owner driven development
	Speaker and Capacity: Satprem Maïni, invited speaker
Thrissur, Kerala, India	Attendance: ~ 60 Professionals, Decision makers, Officers from Ministry of Rural Development
2014 January 23rd	Event: "Journée d'information et de synthèse sur les architectures de terre" Organised by the CAPTerre, Ministry of Culture of Algeria
	Title of presentation: CEB et la renaissance des architectures de terre
	Speaker and Capacity: Satprem Maïni, invited speaker
Tamanrasset, Algeria	Attendance: ~ 60 Professionals, decision makers, mayors, scientists from Algeria

2013
10 events in 4 countries

2013 December 21st	Event: "International Symposium on Earth Architecture" Organised by the UNESCO Chair Earth Architecture School of Korea
	Title of presentation: Activities and missions of the Auroville Earth Institute
	Speaker and Capacity: Satprem Maini, invited keynote speaker
Wanju, Korea	Attendance: ~ 160 Students, architects, and professional from Korea
2013 November 28th	Event: "Sustainable architecture practices in Auroville" Organised by Auroville Integral Sustainability Institute
	Title of presentation: Earth Architecture and the works of the Auroville Earth Institute
	Speaker and Capacity: Satprem Maini, only invited speaker
Auroville, India	Attendance: ~ 80 Students & 7 faculty from School of Architecture (BNCA) Pune, India
2013 November 15th	Event: "Technical Workshop on Operational and Embodied Energy Use in Residential Buildings", organised by Indo-Swiss Building Energy Efficiency Project (BEEP)
	Title of presentation: Embodied Energy In Building Materials And Technologies: A Tool For Designing Green Residential Buildings
	Speaker and Capacity: Satprem Maini and Lara Davis, Invited speakers
Delhi, India	Attendance: ~ 15 Professionals from 6 countries
2013 November 9 & 12th	Event: "Bamboo workshops" Organised by Auroville consulting
	Title of presentation: Tradition and Modernity of Earth Architecture
	Speaker and Capacity: Satprem Maini, Invited speaker
Auroville, India	Attendance: ~ 60 Students from India
2013 October 26th	Event: One-day workshop on earth architecture Organised by Andhra University, Department of Architecture
	5 Presentations on: Earth architecture – Earth resource management – CSEB Arches, vaults and domes – Disaster resistance
	Speaker and Capacity: Satprem Maini, only invited speaker
Visakhapatnam, AP, India	Attendance: ~ 120 Indian Students and faculties from India
2013 July 29th	Event: Summer School "From House to Home: Building for a Dignified Living" Organised by Auroville consulting
	Title of presentation: Technical Session: Earth as a Building Material
	Speaker and Capacity: Lara Davis, Invited speaker
Auroville, India	Attendance: ~ 20 Students and professionals from India
2013 July 11th	Event: One-day workshop on earth architecture Organised by Hindustan University, Department of Architecture
	5 Presentations on: Tradition and modernity of earth architecture – CSEB Arches, vaults and domes – Disaster resistance
	Speaker and Capacity: Satprem Maini, only invited speaker
Chennai, TN, India	Attendance: ~ 250 Students and faculties from India
2013 May 3rd	Event: International Seminar on Earth Architecture Organised by Centre for Innovation in Architecture and Modes of Inhabiting (CIAMH), Faculty of Architecture, University of Porto (FAUP)
	Title of presentation: Earth in the Field: Hazards, Contingencies and Best Practice in Fieldwork
	Speaker and Capacity: Lara Davis, Invited speaker
Porto, Portugal	Attendance: ~ 150 Students and professionals (mostly from Portugal) and lecturers from 5 countries

2013 April 24th	Event: Architerre Organised by Ministry of Culture, Government of Algeria
	Title of presentation: Bloc de terre comprimée et la renaissance de l'Architecture de Terre
	Speaker and Capacity: Satprem Maini, Invited speaker
Algiers, Algeria	Attendance: ~ 150 Students and professionals (mostly from Algeria) and lecturers from 5 or 6 countries

2013 March 7th	Event: Sustainable Habitats Workshop Organised by Auroville Consulting
	Title of presentation: Embodied Energy of Earthen Construction
	Speaker and Capacity: Lara Davis, Invited speaker
Auroville, India	Attendance: ~ 30 Students and professionals (mostly from India)

2012
8 events in 6 countries

2012 November 27th & 28th	Event: National conference on Architectural construction Organised by Building Architectural Construction and Engineering Trade Show (BACE Expo)
	Title of presentation: Introduction to earth architecture
	Speaker and Capacity: Rosie Paul, Invited speaker
Guwahati, Assam, India	Attendance: ~ 100 Indian professionals and students

2012 November 21st & 22nd	Event: ARCHITERRE Organised by Ministry of Culture, Government of Algeria
	Title of presentation: Bloc de terre comprimée et la renaissance de l'Architecture de Terre
	Speaker and Capacity: Satprem Maini, Invited speaker
Algiers, Algeria	Attendance: ~ 150 Students and professionals (mostly from Algeria) and lecturers from 5 or 6 countries

2012 May 29th to 31st	Event: Technologies for sustainable development: A way to reduce poverty? Organised by the UNESCO Chair "Technologies for Development and the "Ecole Polytechnique Fédérale de Lausanne (EPFL)
	Title of presentation: Earth Architecture to empower people
	Speaker and Capacity: Satprem Maini, Speaker
Lausanne, Switzerland	Attendance: ~ 40 Professionals from 5 or 6 countries

2012 May 23rd and 24th	Event: Eco-Construction week, organised by GDA Sidi Amor
	Title of presentation: Terre stabilisée ou la modernité de l'architecture de terre, R&D d'AVEI
	Speaker and Capacity: Satprem Maini, Invited speaker and guest of honour
Tunis, Tunisia	Attendance: ~ 35 Professionals from 4 countries

2012 May 4th	Event: Presentation at the Council of Architecture, Marrakech Chapter Organised by the Council of Architecture
	Title of presentation: Terre stabilisée ou la modernité de l'architecture de terre
	Speaker and Capacity: Satprem Maini, Invited speaker
Marrakech, Morocco	Attendance: ~ 20 Professionals from Marrakech

2012 April 25th to 28th	Event: Symposium Ecological Moroccan Architecture – Organised by "Fondation l'Esprit de Fès with partnership with the Ministry of Habitat and Urbanism, Morocco and French Cooperation.
	Title of presentation: Architecture de terre stabilisée, lien entre tradition et modernité, Vers une diffusion de savoirs
	Speaker and Capacity: Satprem Maini, Invited speaker
Fès, Morocco	Attendance: ~ 100 Professionals and students, mostly from Morocco with some French professionals

2012 March 19th to 22nd	Event: First World Congress on Domes Organised by Foundation Romualdo Del Bianco, “Life Beyond Tourism”
	Title of presentation: Building domes without formworks
	Speaker and Capacity: Satprem Maini, Invited speaker
